08 November 2019

Dear *Ken*

Thank you for your written response to my annual report. In your response you asked for some statements of progress against the objectives in the Police and Crime Plan.

You will find in the new version this information after the performance section. However, there were two objectives which have proved more challenging at this stage to identify due to changes in the national recording of the Crime Survey for England and Wales.

Please see below information on Out of Court Disposals:

	2017/18	2018/19
Total OOC	7,764	6,387
Adult Cautions (inc Conditional)	3269	2399
Adult Community Resolution	3126	2818
Youth Caution	610	329
Youth Community Resolution	1255	841

To this letter I attach an updated version of the annual report – we will now look to produce a limited print run of these.

May I thank yourself and the panel once again for reviewing the annual report and offering some constructive advice on its content.

Yours sincerely

David Jamieson

Police and Crime Commissioner
